

LGX-PDU6-UK | LOGX 6-WAY UK SOCKET POWER DISTRIBUTION UNIT WITH POWER CABLE (1U 19 INCH)

1U / 6 WAY UK

DESCRIPTION

LOGX 19-Inch Rack Mount Power Distribution Units (PDU) deliver dependable electrical power distribution to servers, switches, routers, and active IT hardware. Features 6 British BS 1363 sockets, robust extruded aluminum alloy housing, an illuminated master switch with protective cover, and a 2-meter heavy-duty power cable.

FEATURES & BENEFITS

- **6-Way British Standard BS 1363 Sockets** with internal safety shutters
- **1U 19-Inch Horizontal Rack-Mount Format** for server and network cabinets
- **Heavy-Duty Extruded Aluminum Alloy Chassis** with matte black finish
- **Illuminated Master Power Switch** with protective cover to prevent accidental shut-off
- 2.0 Meter Heavy-Duty 3×1.5mm² power cord with 13A UK fused plug
- Integrated grounding terminal for comprehensive rack electrical protection

TYPICAL APPLICATIONS

- Power Distribution in 19-Inch Server Racks, Data Cabinets, and Wall Boxes
- Powering Network Switches, Firewalls, Routers, Patch Panels, and Servers
- Telecom Central Offices, CCTV Monitoring Racks, and Enterprise IT Infrastructure

SPECIFICATIONS & TECHNICAL PARAMETERS

Product Standard	LOGX 19" Horizontal Rack-Mount PDU	Socket Standard	6 × British Standard UK BS 1363 Sockets
Input Plug Type	UK BS 1363 13A Fused Plug (3-Pin)	Power Cable	3 × 1.5mm² Heavy-Duty Power Cord (2.0 Meters)
Chassis Material	Heavy-Duty Extruded Aluminum Alloy (Black)	Control & Protection	Master ON/OFF Switch with Protective Cover
Electrical Rating	250V AC, 50/60Hz, 13A Max (3250W Max Capacity)	Mounting Format	1U 19-Inch Horizontal Rack Mount

COMPLIANCE & STANDARDS

- BS 1363 & BS 5733 Standard Compliance
- EIA/ECA-310-E 19" Rack Standard
- CE & RoHS Certified Safety Standards

ELECTRICAL SPECIFICATIONS

Nominal Voltage	250V AC 50/60Hz
Max. Current / Load	13 Amps 3250 Watts Maximum Load
Safety Switch	Illuminated Master Switch with Safety Guard

SAFETY & STANDARDS

Socket Compliance	BS 1363 / British 3-Pin Standard Sockets
Grounding	External M5 Earthing Lug for Rack Grounding
Certifications	CE, RoHS, BS 5733 Safety Certified
