Welcome

Where Excellence Meets Innovation

About Us

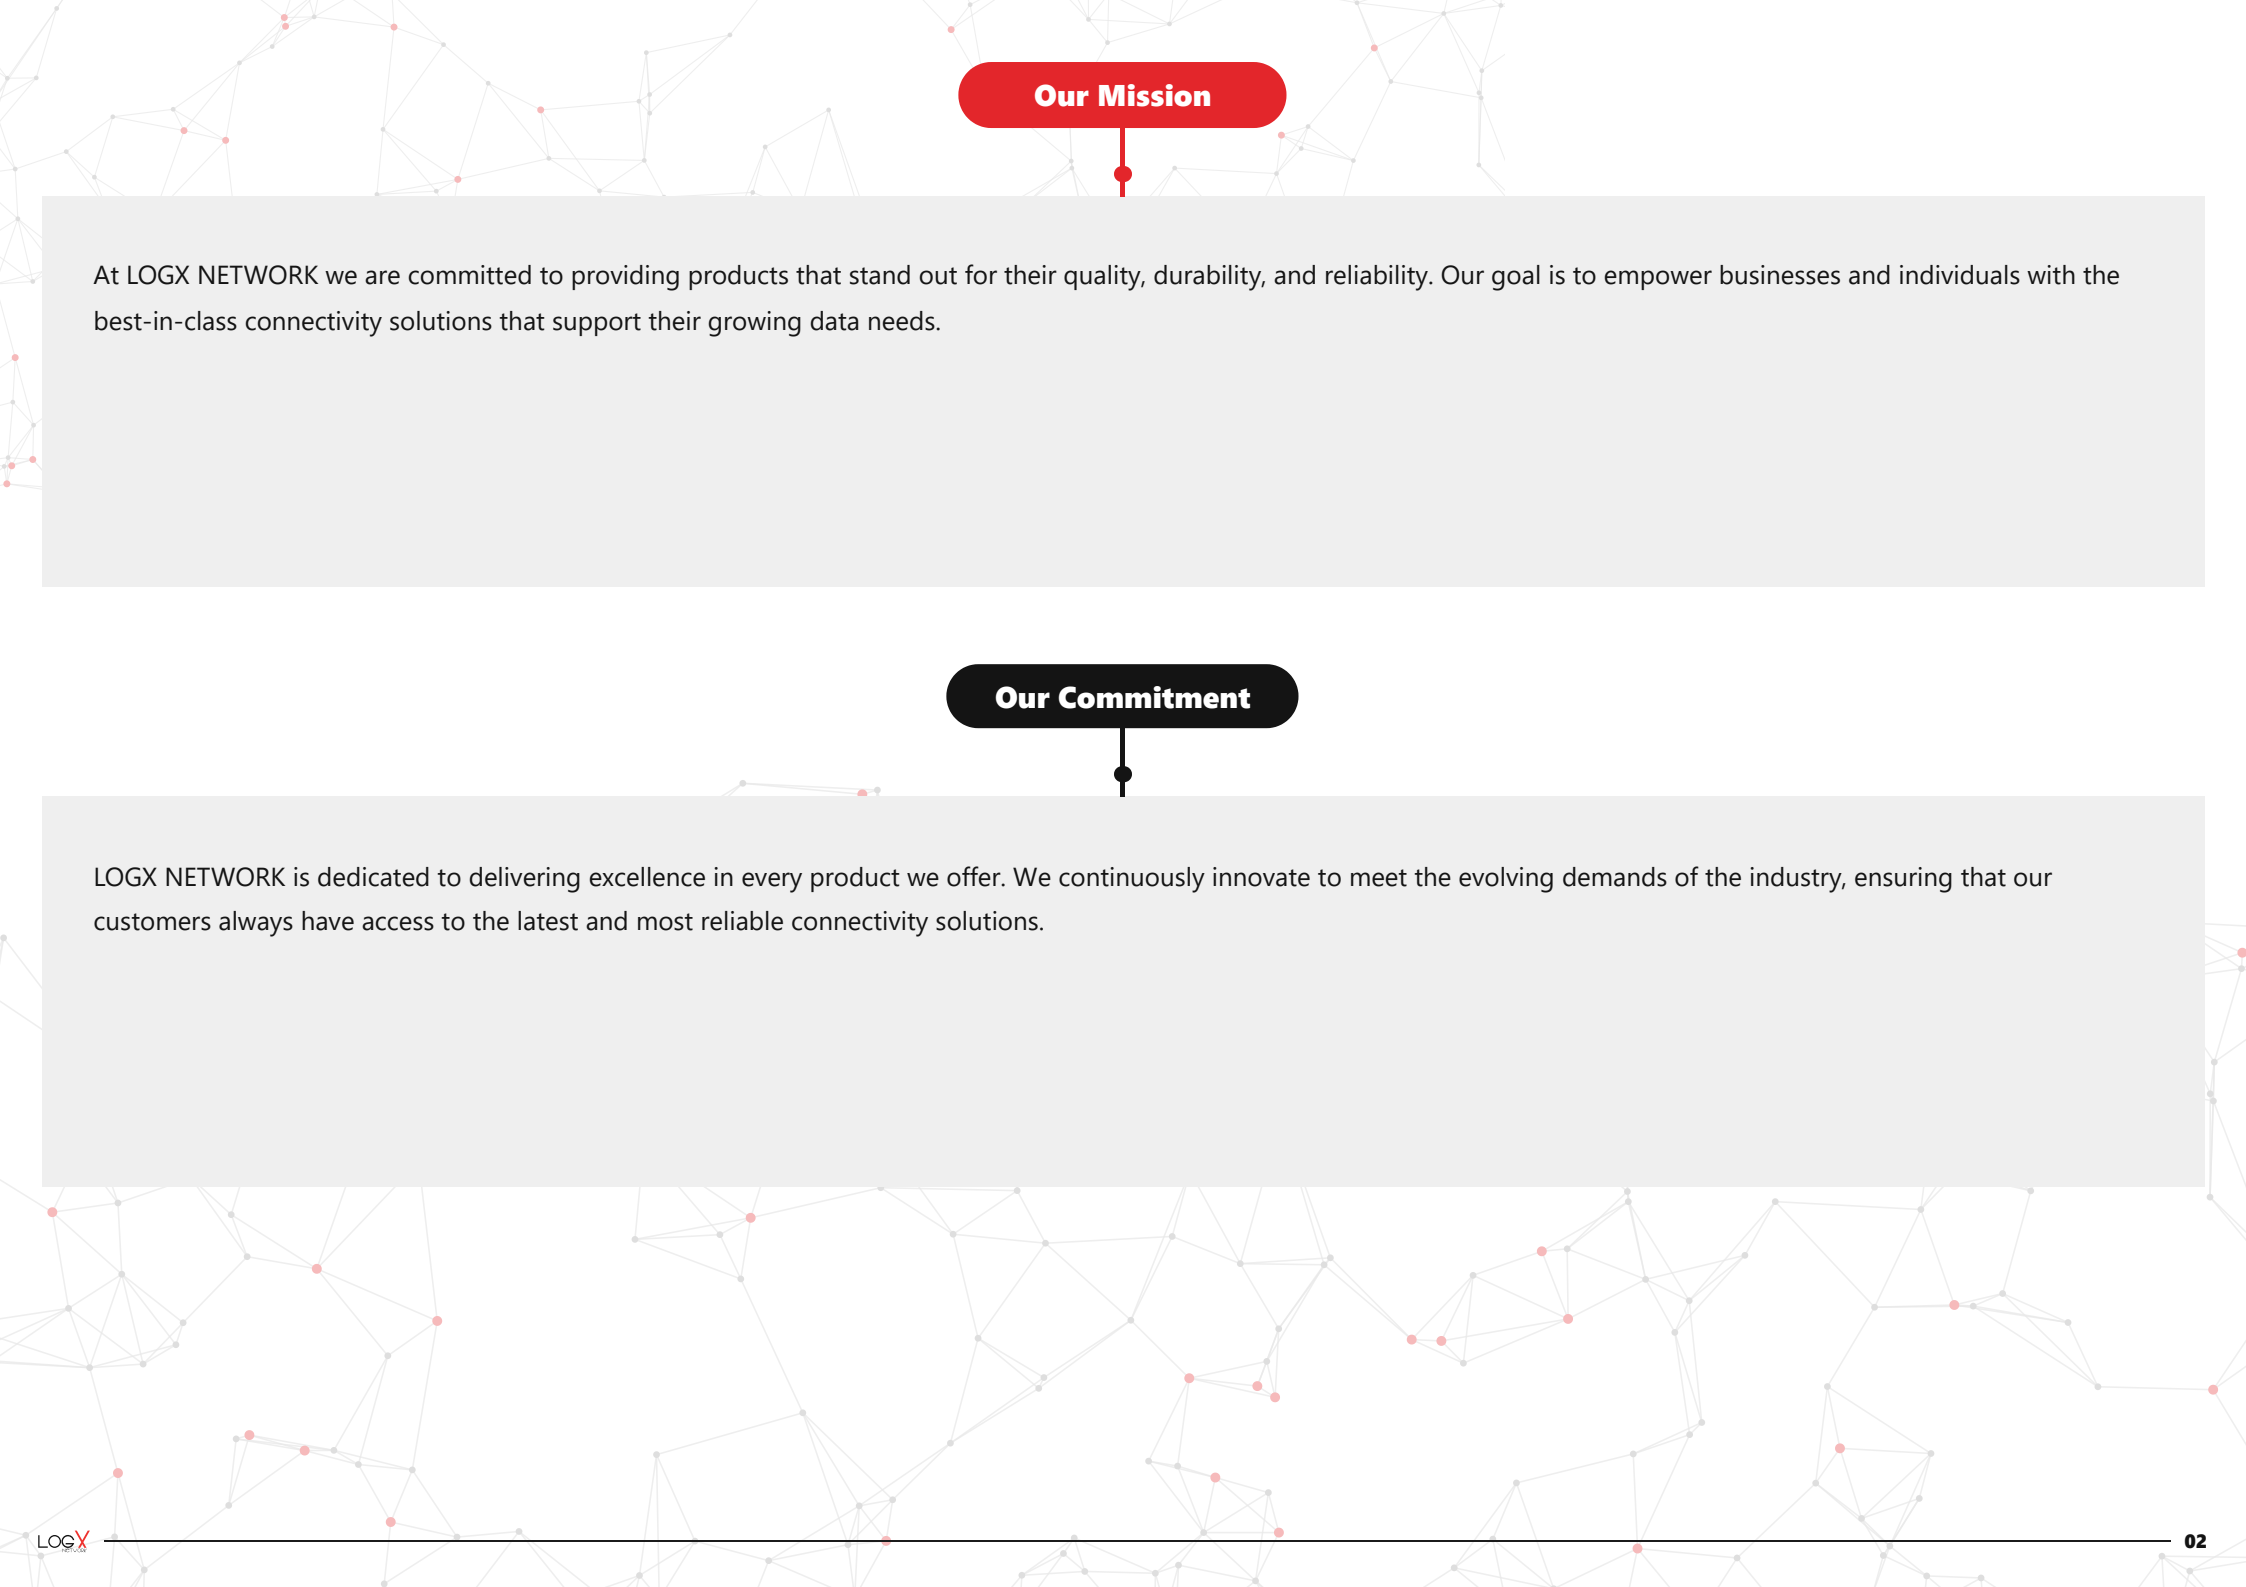

LOGX NETWORK where excellence meets innovation in high-quality data connectivity. Our products epitomize cutting-edge technology, offering a diverse array of top-tier products to fulfill all your data connection requirements. From high-performance Ethernet cables to precision-engineered keystone jacks, robust patch cords, versatile faceplates with modules, reliable patch panels, efficient cable management solutions, and a comprehensive suite of fiber optic cables and components, LOGX NETWORK ensures your data transmission is seamless, reliable, and always up to the mark.

Reliable. High-Performance

Environmentally Friendly

Our Mission

At LOGX NETWORK we are committed to providing products that stand out for their quality, durability, and reliability. Our goal is to empower businesses and individuals with the best-in-class connectivity solutions that support their growing data needs.

Our Commitment

LOGX NETWORK is dedicated to delivering excellence in every product we offer. We continuously innovate to meet the evolving demands of the industry, ensuring that our customers always have access to the latest and most reliable connectivity solutions.

Why Choose LOGX NETWORK

Best Quality

Our products are manufactured to the highest standards, ensuring top performance and longevity.

Great Warranty

We offer a "no questions asked" direct replacement warranty, providing peace of mind and confidence in our products.

Durability and Reliability

Built to withstand the rigors of daily use, our products guarantee dependable connections.

Availability

Our products are always in stock and ready for immediate purchase at our showroom.

Our Categories

Fiber Optic

High-speed, reliable connections with minimal signal loss, perfect for any network size.

Copper Cables

Durable cables for various applications, providing stable and fast data transfer.

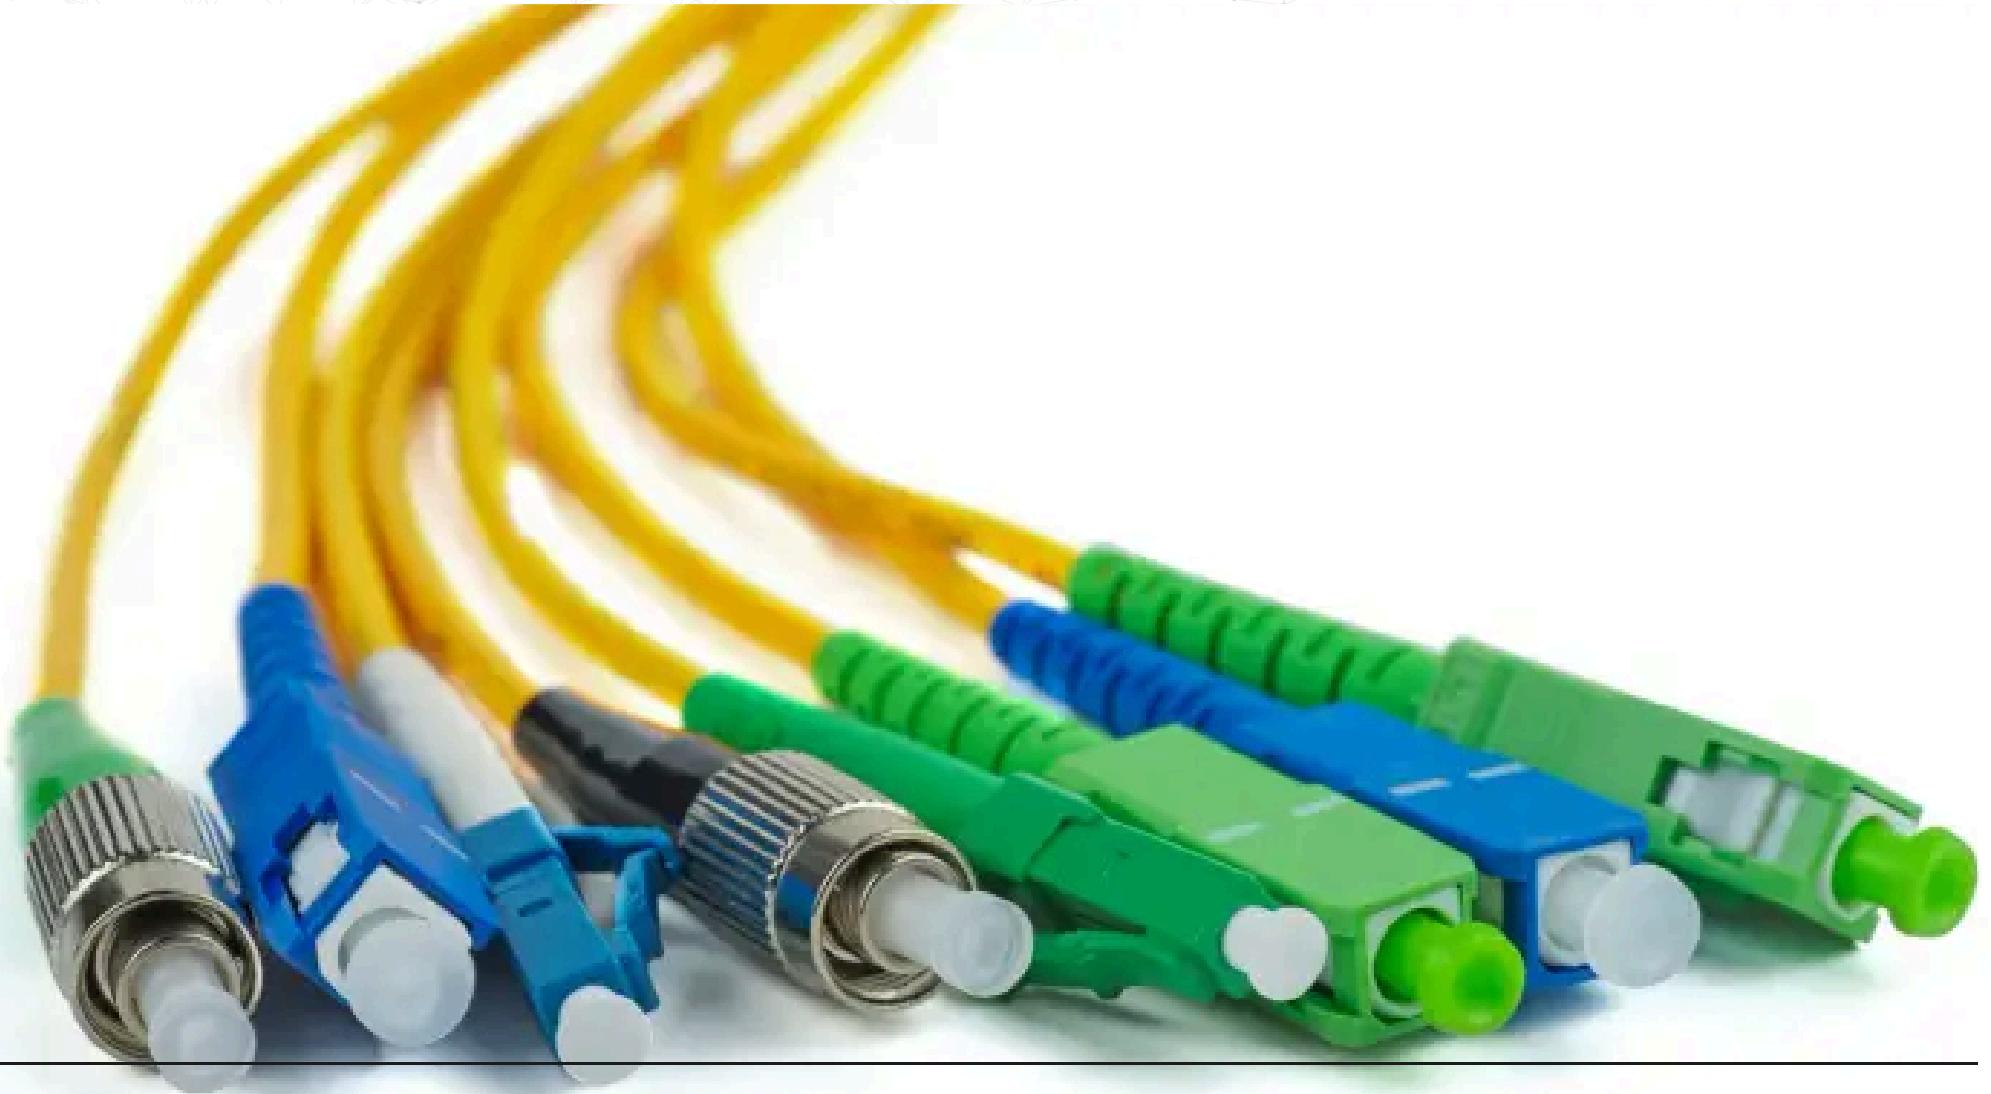

Components

Essential items like keystone jacks, patch cords, faceplates, patch panels, and cable management solutions for an efficient and organized network.

Fiber Optic

Our fiber optic products are designed to deliver the highest speeds and most reliable connections for your network. These include a wide range of fiber optic cables and components, such as connectors, adapters, and transceivers, all crafted to ensure optimal performance and minimal signal loss. Whether you're building a backbone for a large enterprise or setting up a small office network, our fiber optic solutions provide the robust infrastructure needed for high-speed data transmission.

Product List

FIBER OPTIC • 1/2

Single-Mode Drop Cable, 4 Core — 1000 m

Fibre count: 4 core
Fibre type: Single mode, A1 bend tolerant
Cable diameter: 3.0 mm

P/N: LXFHN047ALS

Armoured Single-Mode Drop Cable, 8 Core — 1000 m

Fibre count: 8 core
Fibre type: Single mode, A1 bend tolerant
Construction: Single tube, light steel armour

P/N: LXFHS087ALS

Armoured Single-Mode Drop Cable, 12 Core — 1000 m

12 Port LC Duplex Fiber Patch Panel, 1U

Product List

FIBER OPTIC • 2/2

LC-LC UPC Single-Mode Duplex Patch Cord

Connectors: LC-UPC to LC-UPC, duplex

Mode: Single mode

Cable diameter: 2.0 mm

Lengths: 1 • 3 • 5 • 10 • 15 • 20 • 25 • 30 • 40 • 50 • 70 • 100 m

LC-LC UPC OM3 Duplex Patch Cord

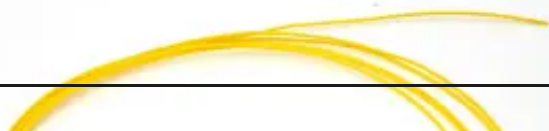

Connectors: LC-UPC to LC-UPC, duplex

Mode: OM3 multimode

Cable diameter: 2.0 mm

Lengths: 1 • 3 • 5 • 10 • 15 • 20 • 25 • 30 • 40 • 50 • 70 • 100 m

LC/UPC Single-Mode Pigtail

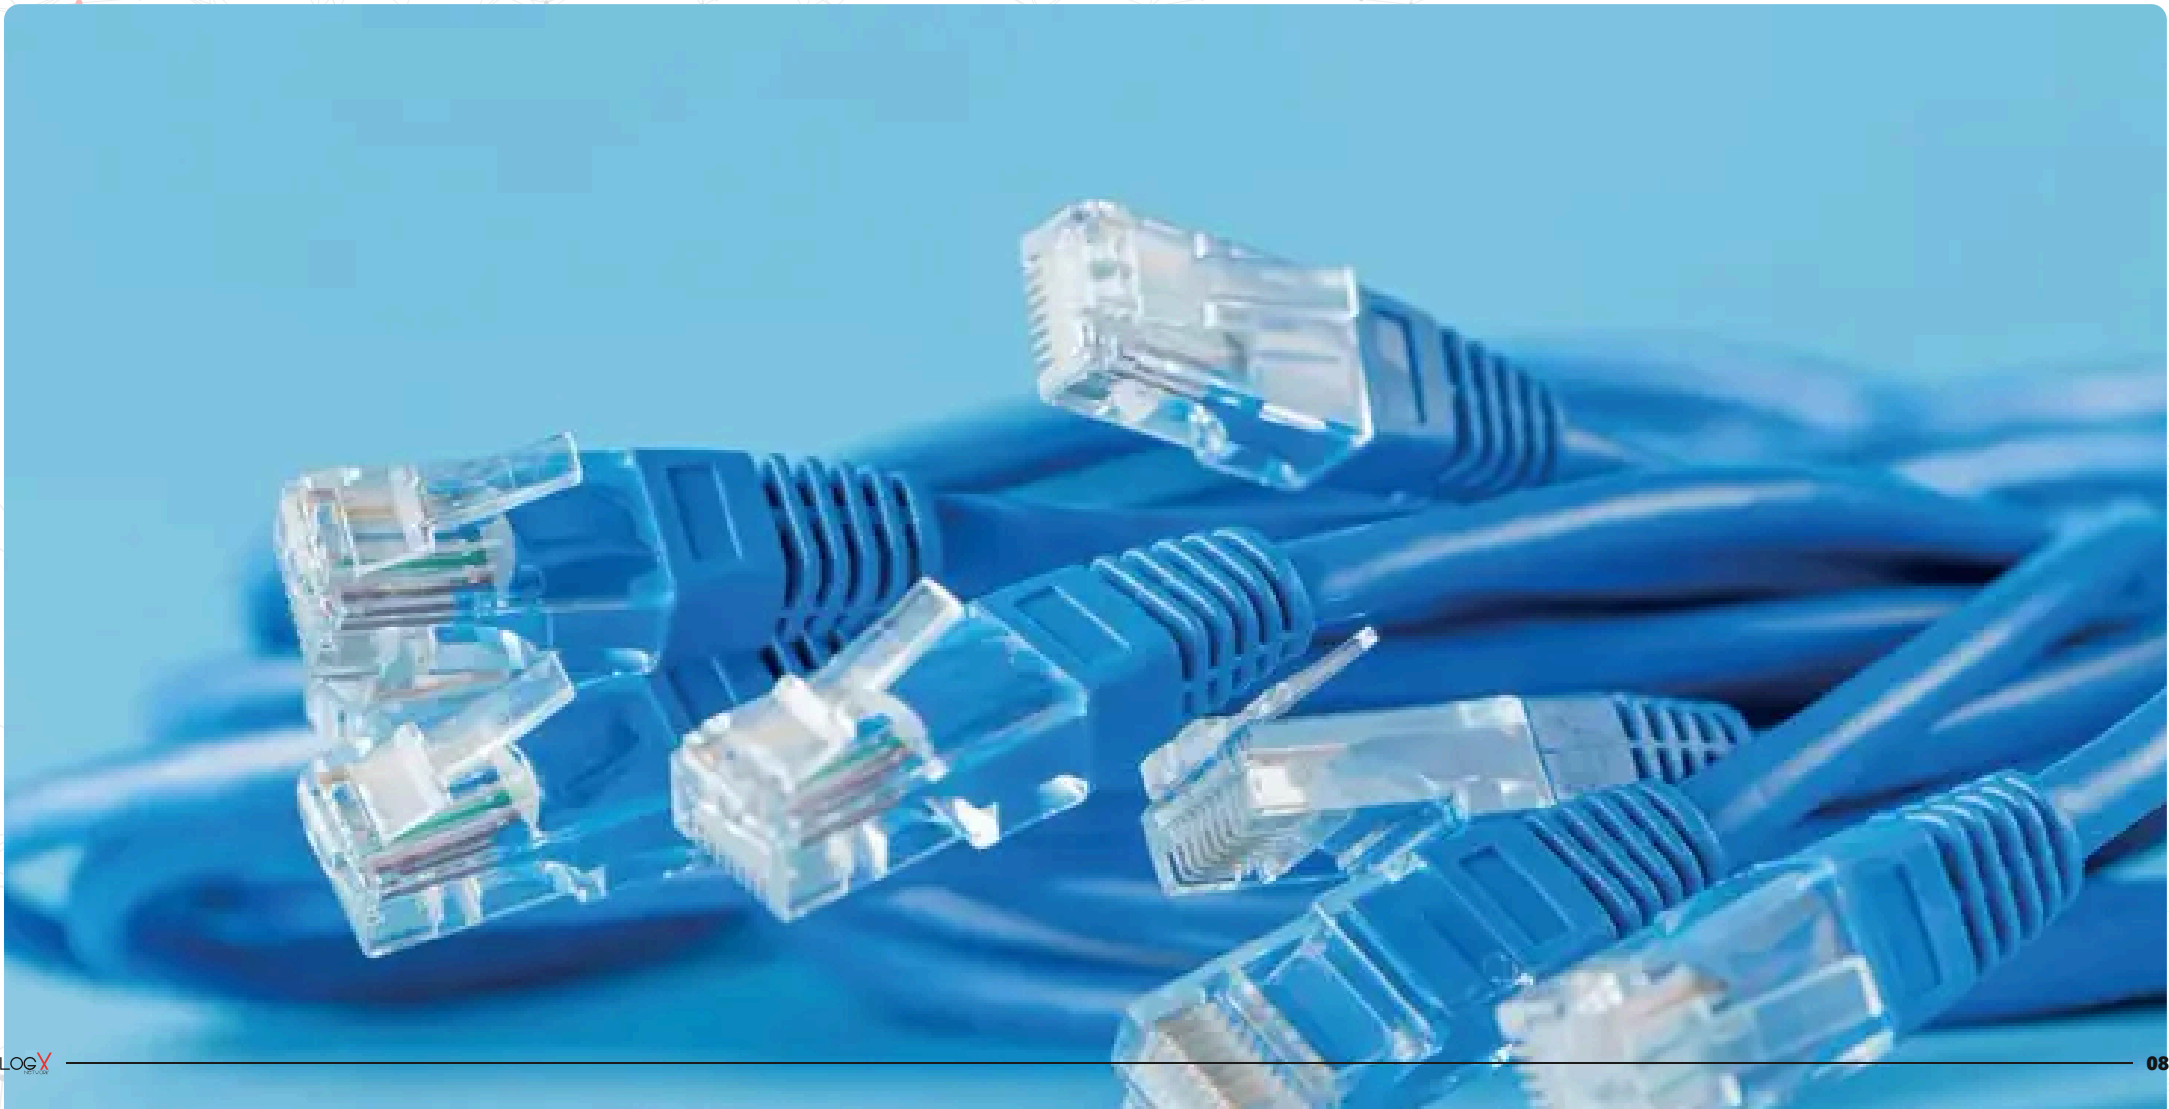

LC/UPC OM3 Pigtail

Copper Cables

Our copper cabling range is built for stable, fast data transfer across every kind of installation. It covers CAT6 and CAT6A installation cable on 305 m boxes, in unshielded U/UTP and fully shielded S/FTP, alongside factory-terminated CAT6 and CAT6A patch cords from 0.25 m to 10 m with gold-plated RJ45 contacts. Whether you're cabling a new office floor or upgrading links to 10G, our copper solutions deliver dependable performance from the wall outlet to the rack.

Product List

COPPER CABLES

CAT6 U/UTP LAN Cable, 305 m Box

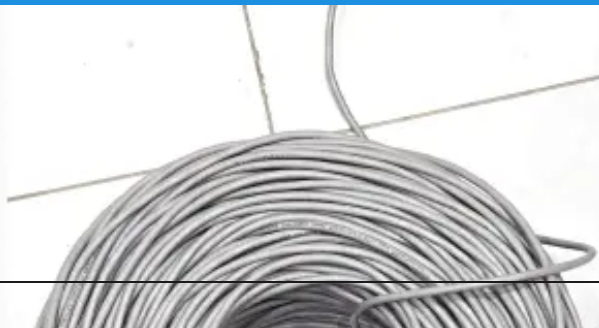

Category: CAT6
Construction: U/UTP, 4 pair, solid
Conductor: Bare copper, 0.52 mm (24 AWG)
P/N: LXC6UUPVG305

CAT6A U/UTP LAN Cable, 305 m Box

Category: CAT6A
Construction: U/UTP, 4 pair, solid
Conductor: Copper, 0.54 mm (23 AWG)
P/N: LXC6AUUPVG305

CAT6A S/FTP LAN Cable, 305 m Box

CAT6A U/UTP Patch Cord

Components

Our components bring order and efficiency to every network. The range includes toolless CAT6 and CAT6A keystone jacks, 86-type faceplates, 24- and 48-port keystone patch panels, 1U and 2U metal cable managers, RJ45 plugs and boots, SFP media converters, a rack-mount PDU and a complete installation tool kit: everything needed to terminate, patch and manage a clean, organized installation.

Product List

COMPONENTS • 1/3

86 Type Faceplate, 1 Port

Ports: 1
Format: 86 × 86 mm (86 type)
Mounting: Flush, single gang
P/N: LXA10

86 Type Faceplate, 2 Port

Ports: 2
Format: 86 × 86 mm (86 type)
Mounting: Flush, single gang
P/N: LXA20

CAT6 UTP Keystone Jack, Toolless

CAT6A UTP Keystone Jack, Toolless

Product List

COMPONENTS • 2/3

1U Keystone Patch Panel, 24 Port

Ports: 24
Rack units: 1U
Loading: Unloaded (blank)
P/N: LXPP6U2410

2U Keystone Patch Panel, 48 Port

Ports: 48
Rack units: 2U
Loading: Unloaded (blank)
P/N: LXPP6U4820

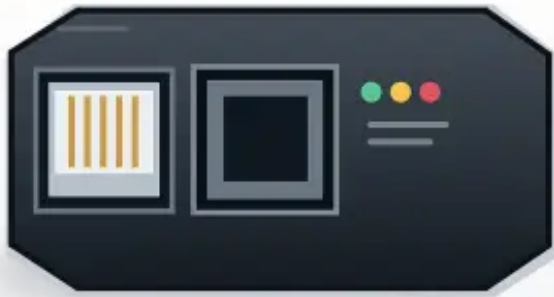

RJ45 Strain-Relief Boot

8P8C UTP RJ45 Modular Plug

Product List

COMPONENTS · 3/3

1G SFP Media Converter

Speed: 1G
Optical port: 1 × SFP cage
Copper port: 1 × RJ45, 1G
P/N: LGX-MC1000GSFP

10G SFP+ Media Converter

Speed: 10G
Optical port: 1 × SFP+ cage
Copper port: 1 × RJ45, 10G
P/N: LGX-MC10GSFP+

6-Way UK Socket PDU
